WELCOME

Welcome to the 2025 edition of the OHA Hockey Club's 'SHIPS Log Book'.

The SHIPS Log Book aims to capture the season highlights and achievements in one publication for now and future reference. The SHIPS Log Book is a season by season record which complements the '100 Years OHA Hockey Club 1919-2019' history book which captures the first 100 years of our great club.

The Log Book contains Tasmanian and Australian representatives, Life Members, office bearers and Perpetual Trophy winners and Best and Fairest and Most Consistent award winners.

There is a season report for each team - Juniors, Seniors and Masters. These reports capture the highs, lows and memorable moments of the season. Ladders, player statistics, the team's season results and a team photo are also included.

The 2025 SHIPS Log Book also contains an updated version of the men's and women's 100 Club. This document records the total

number of games played by all senior club members over the past 106 years, and also includes a list of the players who have achieved a new games milestone in this season.

The 100 Club article includes an explanation for club members as to how these totals are calculated and is updated each season.

Thank you to John McCambridge who maintains this database and who documents when player milestones are imminent.

Thank you to Steph O'May for taking team photos during the season and thank you to all those coaches/team members who wrote team reports.

We hope that this publication will become a reference point for our future players, members, families and friends to look back on as the seasons roll on.

2025 PRESIDENTS REPORT

It has been another busy year and much work and time has been required to steer this club through the year with the help of the committee. After taking the helm of this ship in 2023, it has been a privilege. We must start to plan for the future of this club. We as members of this great club need to ask ourselves what else can we do to promote, help and volunteer to make OHA greater.

The 2025 season has been a season of triumphs and challenges. We have some very dedicated people, players, coaches, umpires, and supporters. The committee and I would like to pass on our gratitude and an immensely big thank you to all of you for 2025, for making this a successful year for the OHA Hockey Club.

Thank you to our club sponsors. We wouldn't be here today without the support from, The Maypole (Kristy Johnston and Greg Rogers), and ANZ banking has continued to support the club with the home loan introduction scheme.

So, the season for OHA was an impressive year. We had three teams win minor premierships - Men's Masters Division 2 Red, 2nd Grade Men, 3rd Grade Men Red. We had four teams make grand finals and three teams won. The premiership teams were Men's Masters Division 2 Red, 1st Grade Men

and 2nd Grade Men. 3rd Grade men Red were defeated in their grand final.

At the Southern Hockey Awards night we had multiple Best and Fairest winners in their grade.

Sam McCambridge 1st Grade Men, Madeline Nogajski 1st Grade Women, Hamish Dunbabin 3rd Grade Men, Meghan Karas 3rd Grade Women and Gernot Roehrer Masters Men Division 2.

Players selected in Tassie Tigers Hockey One teams were Taylor Brooks, Maddison Brooks and Susan Brooks (coach). David Woolford was the O40 Tasmanian Masters team coach and Rowan Bridley was the O55 Tasmanian Masters team coach.

Our club was well represented in Masters Australian teams in 2025. Sofie McLeod (O40), David Woolford (O40), Rowan Bridley (O55) and Tim McDevitt (O65) all played in the Trans Tasman Tournament against New Zealand in Cairns in May.

Maddison Brooks (captain) and Taylor Brooks were selected in the Australian Under 21 team which played in Santiago in December.

We had many club members selected to play in the Australian Masters Championships. The women's carnival was played in Hobart and OHA players were - Georgie Carter (O34)

silver, Sofie McLeod and Julia Reid (O40) bronze, Leanne Fung and Maria Shelverton (O40 White), Elisabeth Wallace (O45) bronze, Jane Clark, Sonia Poke, Ellen Witt (O50) bronze, Danielle Bresnehan, Sarah Pugsley, Sharon Ryan and Nikki Stuart (O55), Deborah Byrne and Wendy Steele (O60) and Robyn McCambridge (South Australia O65).

The men's carnival was played in Newcastle and OHA was represented by Sam McCambridge, David McCambridge and Harry Laughlin (O34) silver, Aaron Guiliamse, Wade Ratcliffe and David Woolford (O40), James Cowling and Phil Sargent (O50), Rowan Bridley, Matt Sargent, Hayden Steele and Scott Driver (O60), John Cranwell, Glenn Keating, Tim McDevitt, James McLeod, Brian Walter and Darren Poon (physio) (O60) and John McCambridge (South Australia O70).

OHA players selected in Australian Master's teams for the Masters World Cup in the Netherlands in 2026 were Sam McCambridge (O35), David McCambridge (Australia A O35), Harry Laughlin (O35 shadow), Sofie McLeod (O40), Julia Reid (O40 shadow), David Woolford (O40) and Rowan Bridley (O55 shadow).

I would like to thank our Junior Committee this year, with an outstanding job done by all in a difficult year, as we look to build on our junior numbers.

The Junior Committee was made up of Jane Sargent - Junior Girls coordinator, Andrew Byrne - Junior Boys coordinator, Dave McCambridge - Hookin2Hockey coordinator and Nikki Stuart - Junior Development Officer. We would also like to thank all the coaches and support people for 2025. The tireless work done by this group will set up OHA in the future.

Can I ask all OHA club members to go out and promote our club. We seek your assistance to improve our junior player numbers and coaching/support staff so as to get our junior teams back to where we were seven -ten years ago. Hockey needs support from you, friends and family members of our clubs and from schools to increase the numbers playing hockey in Tasmania.

I would like to thank our 2025 Committee for the work done during the season. They don't get the recognition they deserve and their tireless efforts to run this club are very much underestimated.

Steph O'May is our Secretary and social guru. People wouldn't understand how much work Steph has done this year - with the return of the OHA newsletter, all our socials with Facebook, Instagram etc. Steph has been out taking photos as well as organising our social events. A very big thank you to Steph.

Senior Vice President, Matt Sargent has done

(continued page 8)

a lot of groundbreaking work to ensure our sponsors are recognised and he supports the other members of the committee. Also thanks to Glen Keating who has been working on future prospects for the club.

Raja Iyer, our Umpire Coordinator has had a very busy year juggling his work, family and getting us organised as a committee.

Gernot our Treasurer has made sure we are financially safe and strives to get our members the cheapest subs whilst also balancing equipment costs and managing our accounts for the club.

Ollie Smith took care of uniforms this year. We have still a little more work to do on the new uniform design for the club for 2026. I would also like to thank Hayden Steele who in the background has given support to this group.

A very big thank you to our Club patrons Robyn and John McCambridge for all their hard work in updating the history of OHA. They update player milestones and ensure the club recognises member's playing history and they produce the Ships Log Book.

Finally I would like to recognise some individuals who do a large portion of work behind the scenes which goes unrecognised by many. Firstly, Phil Sargent, who every year organises so many events that support this club. Phil organises officials for the Run the Bridge event, the Cadbury Marathon and the Point to Pinnacle. Phil also organises the annual Golf Day. The amount of work that this takes while also umpiring should be recognised . Thanks Phil

Secondly, Chris Sargent dedicates his time and resources to this club working with Robyn to keep the Ships LogBook going, but also making sure OHA is moving forward and up. Thanks Chris.

AUSTRALIAN REPRESENTATIVES

Over the past six years, since the inaugural Ships LogBook was launched in 2020, a number of OHA players have been selected as Australian representatives. Upon selection, their playing background with OHA, Tasmania and Australia is outlined in the LogBook. If the players continue to be selected in Australian teams, then their selection information is updated each year.

To view a ongoing Australian representative's playing background, see previous year's LogBooks, available online through the OHA website.

MADDISON BROOKS

After her Olympic debut in Paris in 2024, Maddi had a busy year of representation in 2025.

Maddi played eight FIH Pro League matches in Sydney and Argentina in February. Australia won three of these eight matches and finished fifth overall after three more wins in London and Berlin.

Maddi participated in an Under 21 Four Nations tournament in Berlin, Germany in June. With wins against Spain and India and a loss to Germany, Maddi played in the gold medal match defeating Germany 2-1.

Maddi was selected as captain of the Australian Under 21 team to play in the Junior World Cup in Santiago in December. Australia finished top of their pool with three wins and went on to play in the quarter finals. Defeated by Germany 1-0, Australia played off for seventh position. They defeated England 3-2.

Maddi has re-located to Perth to play hockey and currently plays for Whitford Hockey Club.

She has 44 Hockeyroo caps and has scored 7 goals.

Maddi Brooks (Under 21 and Hockeyroos)

AUSTRALIAN REPRESENTATIVES

TAYLOR BROOKS

Taylor Brooks started playing hockey at the age of four and joined OHA in 2010 playing Hookin2Hockey. Taylor's Tasmanian representative history is extensive. She played in Under 12s from 2014-2016, Under 13s 2016-2017, Under 15s 2017-2019, Under 16s 2018-2020, Under 18s 2020-2023, Under 21s 2021-2025 and Tassie Tigers 2021-2025. She has been a consistent leader within these teams, captaining several Tasmanian underage state teams between 2018 and 2025.

In 2016, Taylor was selected as a shadow in the Under16 Australia Team and was selected in the Under 18 Futures squad in 2017 and 2018.

In 2024, Taylor was selected in the Jillaroos squad and made her international debut for the Jillaroos in 2025 at a Four Nations Series in Berlin, Germany. She also represented Australia in matches in Belgium and Canberra.

Taylor was selected to compete at the FIH Women's Junior World Cup in Santiago, Chile in December 2025. Unfortunately, she was unable to participate due to illness.

Taylor Brooks (Under 21)

AUSTRALIAN REPRESENTATIVES

SAMUEL MCCAMBRIDGE

Sam's Australian representation continued in 2025 when he was selected as vice-captain of the O34 team to compete in the Trans Tasman Challenge in Cairns in May. Unfortunately he was unable to play in this competition.

At the 2025 Masters Australian Championships where Tasmania won a silver medal, Sam was selected in the Australian O34 team to compete in the 2026 World Cup in Rotterdam in July 2026.

Sam McCambridge O34 2026 Hockey World Cup

DAVID MCCAMBRIDGE

At the 2025 Masters Australian Championships held in Newcastle in September, David was selected as a member of the O34 Australian A team to play in the International Masters Cup (IMC) in Rotterdam in July 2026. This builds on his participation in the 2024 Masters World Cup IMC held in Cape Town in 2024 where he won a silver medal.

David McCambridge O34 2026 Australia A Hockey World Cup

AUSTRALIAN REPRESENTATIVES

ROWAN BRIDLEY

Rowan's Australian representation has continued with his selection in the O55 Australian team which competed in the 2025 Trans Tasman Challenge. Rowan played three matches and won a gold medal with two wins and a loss. At the 2025 Masters Australian Championships, Rowan was selected as a shadow player for the O55 team which will compete in 2026 World Cup Breda, Netherlands in July.

Rowan Bridley O55 Trans Tasman

SOFIE MCLEOD

At the 2024 Australian Masters Championships, Sofie was selected in the O40 Australian team to play in the Trans Tasman Challenge against New Zealand in Cairns in May 2025. Sofie played three matches and scored one goal. Australia finished second with one win, one draw and one loss.

At the 2025 Masters Australian Championships played in Hobart in October, Sofie was selected in the Australian O40 team to compete in the World Cup in Schiedam, Netherlands in July 2026.

Sofie McLeod O40

AUSTRALIAN REPRESENTATIVES

DAVID WOOLFORD

Building on his selection in the Australian O40 to play in the 2024 World Cup in Cape Town, David was selected in the Australian O40 team to compete in the Trans Tasman Series in Cairns in May 2025. David played three games and scored three goals to win a gold medal. At the 2025 Masters Australian Championships, David was again selected in the Australian O'40 team which will compete in the World Cup in Rotterdam in July 2026.

TIM MCDEVITT

Tim began his hockey career in 1968 at St Peter's Primary School winning the Open Primary grand final in 1972. Tim played school hockey with St Virgils' College winning Southern, Tasmanian and Independent School's titles in 1976 and 1977 and was selected in several Tasmanian junior teams.

Tim played for a couple of years after finishing school, winning a premiership with Prince of Wales. After a 29 year absence from hockey Tim started playing for OHA's 3rd Grade team in his 50th year in 2010. Tim has won multiple club premierships in 4th Grade and Masters. He has been selected in Tasmanian Master's teams from 2012 to present, winning two gold medals.

Tim has played for the Far North Coast in the NSW Master's Championships for the past seven years.

At the 2024 Masters Australian Championships, Tim was selected in the Australian O64 team to compete in the 2025 Trans Tasman Challenge played in Cairns in May. Tim played three matches and his team won the gold medal with two wins and a draw.

At the 2025 Masters Australian Championships, Tim was selected in the Southern Cross O65 team which will compete in the International Masters Cup in Breda in August 2026.

COACHES REPORTS

- JUNIORS -

HOOKIN2HOCKEY

2025 was another highly successful year for Hookin2Hockey, with many new and returning participants taking part in our introductory hockey program — the foundation of OHA's future.

Term 1 began strongly, with nearly 60 children involved in Saturday games. Our 1/8th field teams, often the starting point for new players around five years old, were off and running again. They showed tremendous enthusiasm throughout the year, supported by families cheering them on from the sidelines. While results varied, 'fun' remained the ultimate priority. Stuart Millar once again played a central role as a dedicated coach, guiding our youngest club members. We fielded two teams at this level, with Mel Sharman and Heather McCambridge frequently stepping in to assist. All players demonstrated noticeable development in their skills and understanding of the game.

Our OHA Red team took another important step forward in 2025 under the coaching of Mel Thomas. Starting the year in the ¼ field competition, they progressed to half-field hockey by season's end. This fantastic group showed great enthusiasm for learning and continued to build their abilities. We look forward to what they will achieve in 2026!

The ¼ field teams—two for most of the year—were coached by Chloe & Matt Bedford and Liz Castles. This group focuses on positional play, passing, and teamwork, preparing players for advancement into the half-field level. Strong numbers in this age group provide confidence for the next wave of half-field competitors.

Half-field hockey was another significant step up for many players and a final testing ground for others in 2025. The opportunity to form a Full Field Development team in Term 4 supported our 2026 juniors with on-field coaching. Players refined skills, reinforced their understanding of

positions, and enjoyed regular success—scoring many goals through effective passing, leading, and structured play, much to the delight of their coach.

We were thrilled to welcome many new players into our Hookin2Hockey programs this year and to see how quickly they settled in and embraced the sport. Congratulations to those who transitioned into our junior competitions in 2025—your Friday night performances were outstanding. Your solid foundations in Hookin2Hockey have clearly prepared you well.

It was equally pleasing to see several former participants receive awards at the Junior Presentation evening in recognition of their 2025 seasons. Beyond regular sessions, our Hookin2Hockey players were active across a range of club events—appearing on television as part of the Tigers Hockey One guard of honour, supporting Premier League matches, joining the pizza night, and attending development trainings throughout the year.

A special thank you goes to Phil Sargent and everyone involved in the OHA Golf Day, whose efforts continue to create opportunities for our junior players. Thank you also to the coaches and parents who consistently supported both the teams and me. And a heartfelt thanks to Heather McCambridge, who regularly steps in when needed, creates the fantastic OHA Hin2H shirts for our players, is always available when others are not, and willingly coaches any team she is asked to.

Heather and I will be stepping down at the conclusion of the 2025 season after four years in this role. It has been incredibly rewarding to watch OHA's future flourish, with strong participation numbers and parents so willing to contribute to our club.

I look forward to seeing everyone again in 2026 as I (we) take on the role of Junior Boys Coordinator!

Ladder position at season’s end: 5th

The Under 12 Boys have made remarkable progress this season, especially considering that there was no team last year. George and Nick were entrusted with coaching and guiding the boys, and what began with just four players at the first training session quickly grew into a full squad thanks to the efforts of our Hookin2Hockey coordinator David McCambridge and Junior coordinator Andrew Byrne and supporters.

At the outset, numbers looked uncertain. It was even suggested merging with Derwent, who were also struggling for players. However, Andrew and Dave found enough boys to field a team. Through the Hookin2Hockey program, Dave was able to bring in the players we needed, allowing us to compete properly on a full field.

This season was always going to be a challenge. Many of our boys were younger than the age group, often facing bigger and stronger opponents. While our personal hope was to chase a premiership, the boys were focused on achieving something more immediate: winning a game after last year’s experience of forfeiting every match.

Although we didn’t secure the premiership this time, the resilience, growth, and determination shown by the boys have laid a strong foundation. Next year, we truly believe it will be our year.

This season would not have been possible without the support of many individuals:

- Andrew Byrne (AB) – Thank you for being an outstanding coordinator, for making the coaching experience smooth, and for patiently answering our endless questions throughout the season.
- Dave McCambridge – Your efforts in finding players were crucial. Without you, we wouldn’t have had a team.
- Shenan Daniels – At the start of the year, you offered to step onto the field, and your guidance and knowledge have been invaluable. You made our job easier and helped the boys immensely.
- The Boys – Thank you for your effort, enthusiasm, and spirit. You made this season enjoyable, and we look forward to seeing you again next year.
- Parents – Your commitment in bringing the boys out on cold Thursday and Friday nights has not gone unnoticed. The boys truly appreciate everything you do for them.

This season was about building, learning, and growing together. While the premiership eluded us, the progress made by the boys is undeniable. With the foundation laid this year, we are confident that next season will bring even greater success.

Fantastic efforts from this team throughout the season considering they started with just 13 players on the list and dropped to 12 players not long after the start of the season. This team had some very experienced team members and some very new players - the girls showing great patience and listening skills, both with each other and with coach Abby. With numbers slim each week, the girls often played with less than the full quota. To their credit, they continued to keep their heads up and play as a team, with their encouragement of each other, both at training and on game night, a highlight of the season. Plenty of new skills learnt and fun times had!

With a bye round, and just 12 games to the season, 3 wins and 2 draws saw this team finish 5th (out of 7 teams) at season end.

UNDER 14 BOYS

Coaches: Jack Byrne and Riley Drew
Manager: Bec Lowe

Best and Fairest: Tai Tran Lau
Most Consistent: Will Lowe
Coach’s Award: Thomas Chivers
Ladder position at season’s end: 2nd
Final’s Result: Grand final loss 2-2 (1-3)

The Under 14 boys had a breakthrough season for the group. After finishing out of the finals in 2024, the group took a turn with their new coaches and were unlucky not to take out the grand final.

Although the team was made up of mostly the same players as last season, they were a different side this year and some more consistency in availability certainly helped. A renewed sense of pride was instilled in the boys by first time coaches Jack Byrne and Riley Drew and with this pride came a sense of belief in their ability to win.

The boys found their winning way and produced an entertaining and successful season, finishing 2nd on the ladder and missing out on a grand final win by going down in a shootout.

There were many highlights across the season, but a memorable finish was the baseline tomahawk goal from Tai that took them to a shootout with no time to spare in the semi final. The celebration of the boys and how they all came together on the field truly demonstrated what it meant to them all and as a group how well they appreciated each other. Truly a sign of a great team.

Through the season and across all lines, the boys showed improvement. Their sharper passing, tackling and hitting were all a tribute to their willingness to learn and improve and at training they all came together really well.

If this team can continue to improve and bond as they did in season 2025, their potential is limitless.

Best and Fairest: April Sargent
Most Consistent: Ava Burnett
Coach's Award: Ally Thom
Ladder position at season's end: 5th

Coach, Jess Tanner, with boundless enthusiasm and commitment, saw enormous improvements across this team throughout the season. Whilst wins were hard to come by, success was found in other ways, with great numbers at training and games, eagerness to learn new tricks and skills and a jump in competitiveness towards the end of the season. With many losses, the girls really learnt the value of a goal, with celebrations and excitement great, both on the field and in the stands for the supporters.

A couple of wins saw the team off the bottom of the ladder in 5th place (out of 6 teams) at season end.

UNDER 16 BOYS

Ladder position at season’s end: 4th
Final’s Result: Preliminary loss 3-0

OHA were unable to field an Under 16 team this year. Four players; Will Lowe, Tai Tran-Lau, Hugh Greensmith and Leonard Skeggs joined the Derwent team and had a successful season qualifying for the finals. After winning their semi-final 0-0 (2-3), they bowed out of contention with a 3-0 loss in the preliminary final.

The boys contributed seven of the team’s tally of 31 goals with Tai and Leonard scoring 3 goals apiece and Hugh one.

Ladder position at season’s end: 6th

The Under 18 men played in a nine-a-side competition again in 2025.

Unfortunately player availability during the season proved difficult and we were only able to get the full team together twice during the whole season. Consequently we had to forfeit eight of our fifteen games due to lack of players.

All that aside though, when we were on, we were highly competitive.

With only the one win to celebrate, the euphoria of glory was not tasted much, but it was the little things that made this season for me.

- From Ben’s pace and skill carving up the opposition... usually followed by his preferred base line tomahawk goals (before he was wiped out for the season by an opposition player),
- Sam Murray’s couple of cameo games where he was

able to show his class and skill followed by the odd expletive...

- To Jack’s gut running and never give up attitude,
- George’s silky ball running and pace,
- the speed of Sam Millar running down the ball everyone else had given up on,
- the stoic defence of Leonard (with the occasional overhead),
- Hugh’s flexibility of playing almost every role across the field,
- Breaking in Abhi for his first crack at club hockey and seeing him progress with his skills and confidence,
- Riley sitting as full back and saying “I’m sore and can’t do much today”... then running the ball the full length of the field past at least six opposition players,
- And finally, who could forget the cry of “brick wall” every

time Nick saved a shot in goals.

The team had two players in their final year of juniors - Ben Sargent and Sam Murray. Both of these players provided skill, speed and depth to the squad and certainly when they were playing we lifted as a side. Both Ben and Sam will form the backbone of our Premier League team going forward and will leave a hole that’s going to be tough to fill.

As far as a season goes, 2025 was one to put behind us.

However, what a great bunch of guys. This group still played hard and when we were able to field our best team, they were very competitive. As a “coach” I surprised myself with how enjoyable it was to not dominate due to the group being a pleasure to be around.

Tough year, but it’s all on the up for season 2026.

What a year! The 2025 Under 18 team did an amazing job. They were very unlucky to finish second after being on top for the whole year.

It was probably one of the most disappointing of games for all of the players and coaching staff. After all, no one ever wants to lose in shootouts but that’s what we did. There was some great learnings from the game and everyone was so proud of the way all the players gave one hundred percent.

We had a real mix of experience levels in 2025 and everyone seemed to enjoy themselves.

We had Taylor and Brooke who had joined us for their first year playing for OHA. How good was it for them to play in a grand final in their maiden year. We appreciate their dedication and hard work.

We had Felicity and Ella who played their last year for OHA for a while as they have just headed over to the mainland for Uni - we will miss them both - especially Ella’s tunes.

Maddy and Abby, were great for us in the midfield and Chloe was tough cleaning up in defence. We loved having the two sisters, Elsie and Lily with Elsie playing her last year of Under 18s.

Summa, Alexis and Gretel were our hard-working strikers. We hope they join us soon to play in the women’s league.

Finally, we had our very experienced goalie Maddi Godfrey who played an absolute blinder in the final including making some great saves in the shootouts.

Premier League Men

Coaches: Oliver Smith and Joe Murphy
Manager: Chris Sargent
Captain: Harry Laughlin
Best and Fairest: Matthew Murphy
Most Consistent: Rhys Wilkinson and Harry Laughlin
Ladder position at season’s end: 6th

The 2025 season was a year of genuine progress, belief, and maturity for the OHA Premier League Men. After a challenging 2024, the group responded with determination and a clear commitment to improvement. Whilst we didn't reach the finals, we took significant steps forward – most notably beating every team in the competition except the two eventual grand finalists. This consistency against strong opposition reflects the growth of our squad and the competitive edge we rediscovered this year.

A major highlight of the season was celebrating Sam McCambridge's 400th Premier League game, an extraordinary milestone that speaks to his longevity and unwavering loyalty to this team. Another highlight of the season was beating Derwent in the final game of the season to knock them out of final's contention.

Our Best and Fairest winner for 2025 was Matthew Murphy, who had an outstanding season at his newfound position of right half. His work rate, silky left-to-right shimmy drag, and ability to influence games are the qualities

he displayed week-in week-out. The Most Consistent award was shared between Rhys Wilkinson and Harry Laughlin, both of whom epitomised reliability and unwavering commitment to this team. Rhys continued his upward trajectory, backing up last year's development with a mature and impactful season controlling the midfield. Harry once again anchored our defensive structure with trademark calmness and leadership, reinforcing why he remains one of the premier goalkeepers in the competition.

Our young core continued to grow in confidence and capability, building on the foundation laid in 2024. Ben Sargent, Lucas Sward and Josh Battersby all had exceptional seasons as their development remains one of the most exciting aspects of our future. Joseph Murphy, led the way on the scoreboard and off the field as first year co-coach of this team, finishing the season as our leading goal scorer with 11 goals.

A huge thank you goes to our amazing manager Chris “Cloudy” Sargent who is an integral part our team and this great club. Cloudy's commitment, organisation and

passion is second to none. The team could not have functioned without his support, and we are incredibly grateful for everything he did behind the scenes.

A big thank you also goes to Nikki Stuart and Jeff Sward; Nikki who again match managed all our games this year, and Jeff who stepped in as manager at times during the year – we really appreciate your service and support of our team.

Finally, a big thank you to the OHA community/family and to the OHA committee for their unwavering support. A massive thank you also to the players of this this team for backing us and being patient with Joe and myself in our first year of coaching Premier League Men. We will continue to represent this great club with pride and passion and are all looking forward to a massive 2026!

Most Consistent: Sofie McLeod and Julia Reid
Ladder position at season’s end: 4th
Final’s result: Semi-final loss 1-1 (3-1)

It was certainly a year of mixed results and mixed teams. We had a different team every week with quite a few players unavailable for all games due to injury, overseas travel and other hockey commitments. When we had our full team we could have beaten everyone. We were very disappointed to miss Julia Gunn due to injury and we also missed Hanna – although what a lovely reason for not being able to play.

Congratulations to our state players:

- Taylor Brooks played in the Australian Under 21 championships and represented Australia at the Junior World Cup
- Maddy Nogajski played in the Tasmanian Under 18 team
- Abby Sargent played in the Tasmanian Under 16 team
- Let’s not forget that we also had some great masters champions with:
- Sofie McLeod selected to play in the Australian masters team
- Sofie, Julia Reid and Georgie Knapek all selected to play masters in the Australian Championships in Hobart
- Drumroll for the data:
- The player to play the most games for Premier League this year: Ella Lucas – played every game!
- The highest goal scorer – Sofie McLeod with 14 goals.
- Overall goals scored 52 and goals against 44.

We also very much appreciated Emma Byrne turning up every week to be our manager and Sam Nogajski and Matt Bedford who were always there to support with match managing duties.

1ST GRADE MEN

Coaches: Oliver Smith and Joe Murphy
Assistant coaches: Will Smith and David Woolford
Manager: Chris Sargent
Captain: Alex Moir
Best and Fairest: Sam McCambridge
Most Consistent: Patrick Meaney
Ladder position at season’s end: 2nd
Final’s result: Grand final win 4-2

The 2025 season was a memorable season for the OHA First Grade Men, with the group achieving the ultimate reward and securing the premiership for the second consecutive year as back-to-back premiers. It was a season built on belief with the squad consistently rising to the occasion when it mattered most.

To claim the premiership and defend the title is an outstanding achievement and a testament to the culture, depth, and character within this group. Throughout the season, 34 players rotated through this team which is testament to this club's depth and willingness to step up when required.

Sam McCambridge had a great season, and was a deserving winner of the Best and Fairest award. Sam produced an incredible season in front of goal, amassing a remarkable 31 goals from 19 outings. His ability to consistently find the back of the net, combined with his leadership and experience, made him one of the most influential players in the competition and a driving force

behind our premiership success. The Most Consistent award went to Patrick Meaney, who was outstanding all season as a leader and as the ‘free man’ sweeper position. Patrick's composure, tackling and ability to read the play set the foundation for much of our success. His one-on-one tomahawk goal, into the roof of the net, in the shootout of the preliminary final to win the game was a memorable highlight.

A huge part of our success was also the leadership of captain Alex Moir and assistant coach Dave Woolford, who both had exceptional seasons in the midfield. They both drive the standards on and off the field and are integral members of this great club.

One of the defining highlights of the season came in the preliminary final one-on-one shootout, where Toby Paynter produced a heroic performance in the net as he saved four out of the five Canterbury one-on-ones to help secure our place in

the grand final. Toby was consistently excellent in goal throughout the season, and his composure under pressure in that finals moment will long be remembered as one of the season's great moments.

A special thank you must go to Will Smith for stepping in and assisting with coaching duties throughout the season. Your support, insight, and willingness to help the group whenever needed was greatly appreciated.

Finally, thank you to the entire OHA community, committee, supporters, and players who made this season so special. To go back-to-back is an extraordinary achievement and something the whole club can be incredibly proud of. This group continues to represent OHA with pride, passion, and togetherness, and we look forward to having a crack at the three-peat in 2026!

1ST GRADE WOMEN

Coach: Josh Foulston
Managers: Nic Godfrey, Matthew Bedford and Inez Anderson
Captain: Susan Brooks, Maddy Nogajski and Leanne Fung
Best and Fairest: Madeline Nogajski
Most Consistent: Felicity Skeggs
Ladder position at season’s end: 5th

The 1st Grade Women’s side completed the 2025 roster season finishing 5th on the ladder in a competitive six-team competition. Across 20 matches, the team recorded:

- 5 Wins
- 5 Draws
- 10 Losses
- 20 Competition Points
- 17 Goals For | 28 Goals Against
- -11 Goal Difference

While the ladder position may not fully reflect the effort and improvement shown throughout the year, the team remained competitive in numerous tight contests and continued to build consistency as combinations strengthened.

The 2025 season highlighted OHA’s resilience and defensive structure. Several matches were closely contested, with the team earning five important draws — demonstrating composure under pressure and the ability to grind out results.

Offensively, the group shared scoring responsibilities, while defensively the squad showed improved organisation as the season progressed. The commitment at training and strong sideline support were key contributors to maintaining standards across the year.

Leading Goal Scorers:

- Madeline Nogajski – 5 goals
- Abby Sargent – 3 goals
- Georgina Knapek – 2 goals
- Several others contributing single goals across the season

Games Leaders:

- Felicity Skeggs – 20 games
- Chloe Bedford – 19 games
- Lily Scott – 19 games
- Taylor Cunningham – 19 games
- Madeline Nogajski – 18 games

The consistency and availability of the core playing group provided a strong foundation throughout the year.

Although the team finished 5th overall, the growth across the season was clear. The blend of experienced players and developing talent continues to strengthen the program. Competitive efforts against higher-ranked teams showed that OHA is capable of challenging the top sides.

The foundation built during 2025 positions the 1st Grade team strongly for the 2026 season. With continued development, retention of key players, and the progression of emerging talent, the team is well placed to push higher up the ladder next year.

The commitment, unity, and competitive spirit shown throughout 2025 are a credit to the players, coaches, and supporters who made the season possible.

2ND GRADE WOMEN

Coach: Nikki Stuart
Bench Coach: Kate Prendergast
Captain: Lizzie Castles
Best and Fairest: Lizzie Castles
Most Consistent: Sarah Blackwood
Ladder position at season's end: 7th

The 2nd Grade Women's season was another tough one on the pitch, but our ladder position didn't reflect the quality of hockey produced throughout 2025. We were highly competitive in a very strong competition, and as usual, gelled well as a team and enjoyed ourselves regardless of the result. While we only had four wins and two draws, ten of our losses were by just one or two goals, highlighting how close we were in so many matches.

We were extremely grateful to have Kate Prendergast step into the role of Bench Coach following Richard Pears stepping down, no small shoes to fill! Kate was awesome. As a past player in the team, club junior and A Pool player, she was already well known to much of the group. Kate went about her role with enthusiasm, positivity and energy; was a great support to me, and was hugely valued by the players.

Recruit of the year was Sarah Pugsley. "Pugs" returned from a few seasons away following hip surgery,

with the Women's Masters Nationals in Hobart providing the perfect motivation. She wound back the clock and was a fantastic addition to the midfield, bringing 100% effort and quality skills each week.

Most player movement came from within the club, with players stepping up or down between grades. It was terrific to see veteran Susan Brooks feature more regularly in 2nd Grade. Still playing 1st Grade as a full back on Saturdays, Susan embraced the more active midfield role in our lineup.

Bianca Hodge stepped up from 3rd Grade, while Kylee Chivers and Em Muskett joined the side following strong Masters seasons. Ellen Witte played only a handful of matches before finishing the season in 1st Grade. Bec Miller returned to 3rd Grade to manage ongoing knee concerns. We also welcomed back Sarah Blackwood following the birth of her son, Henry, with 2nd Grade suiting her preferred level of commitment.

We were sad to see Cailin Foster move back to Queensland after several seasons with us. The pull of her family and the warmer weather proved too strong.

Again, we were thankful for the players that filled in throughout the season, including Kate Luckman, Kylie Costa and Meg Karas from 3rd grade.

Maria Shelverton was the team's leading goal scorer with 10 goals. The highlight being a hat-trick on her birthday, after travelling up and back to Launceston for State Masters trials.

Socially, we had a great time at the Club's events - Chicken and Champagne night in May, the Quiz night in June and saved our best performance for the Annual Dinner. As always, a number of the group were regulars in the bar after our matches, debriefing on what might have been.

3RD GRADE MEN BLUE

Coach: Gernot Roehrer
Captain: Martin Skeggs
Best and Fairest: Jack Bloomfield
Most Consistent: James Williams
Ladder position at season’s end: 2nd
Final’s result: Preliminary final loss 4-2

This season had its fair share of highs, challenges, and tight finishes. We opened strongly and spent the early rounds right at the top of the ladder, playing confident hockey and finding good rhythm as a group. For a few weeks there, we looked like the team to beat.

As the season wore on, results tightened up and we dropped back to finish in 2nd place. Even so, the group stayed competitive, kept working for each other, and put ourselves in a position to make a real push in finals.

In our semi-final we were up against OHA Red and were defeated 2-0. In the preliminary final we went down 4-2 to Canterbury to end our final's bid.

Despite the finish, there’s plenty to take pride in. The strong start, the patches of excellent hockey, and the resilience shown throughout the year all speak to the character of the group. With a bit more consistency, there’s no doubt this team can push even further next season.

Ladder position at season’s end: 1st
Final’s result: Grand final loss 0-0 (2-1)

With the start of 2025, we again started with the mind set of getting some young players ready for senior hockey. We had lost some speed and pushed some players up to 2nd grade.

We picked up Russell Petterwood who made a return to hockey after seven years. We welcomed back the Zwarts - Ivan and Derek. We picked up a new goalie in Ben Polis while James Cowling was returning from injury. Our major catch was young George Leonard who came in late for the last five games and scored every week.

Our year was very successful and we ended up finishing on top with the minor premiership. With five teams in the 3rd grade, NWG pulled out of the competition midway through 2025 and we were back to four teams.

We had had close games all year with the OHA Blue team. Unfortunately, it wasn't to be our night. 3rd grade Grand Final was moved to Friday night this year but we didn't fire. Our game wasn't strong enough and Canterbury had come to play. It was fitting to get playing with our new players this year and we are hoping some more clubs can submit their teams and get us back to a full 3rd Grade competition in 2026.

Coach: Stephanie O'May

Most Consistent: Sarah Nellis and Elana Salter
Ladder position at season's end: 2nd
Final's result: Grand final loss 3-1

The 2025 season was another memorable one, with a squad that looked much like last year's—plus a few welcome returns. Tori Murton made her comeback to hockey, Bec Miller rejoined the team after a stint in 2nd Grade, Kylie Costa returned from injury and Imogen Johnston made her return from Sydney. From the start, this group clicked. It wasn't just about performance on the field—we made it a priority to enjoy the journey together, packing the calendar with everything from bottomless brunches to pottery classes.

We also celebrated some big milestones along the way. Clara "Snickers" Tyeson notched up her 100th game, while Imogen Baynes and Kylie Costa both reached an impressive 150 senior games. Alex Murton, Tori Murton, and Maddi Johnston each celebrated their 50th—a fantastic achievement for all.

The season did bring a few unexpected changes. Imogen was sidelined early with injury but stayed heavily involved, stepping into match manager duties for the rest of the year. Alex Murton also hung up the boots mid-season as she prepared to welcome a new addition, quickly becoming one of our most dedicated supporters. And in the happiest of news, Sarah Nellis (now Amos!) got married in New Zealand during the season—yet somehow still didn't miss a game.

On the field there were the usual highs and frustrations, but we still secured enough wins to finish second behind NWG. Confidence was high after a strong semi-final win over them, which sent us straight through to the Grand Final. Unfortunately, the final chapter felt all too familiar, with NWG turning the tables and claiming the premiership.

A huge thank you goes to our incredible supporters, who showed up week after week—rain, cold, or shine. Your energy never goes unnoticed. And of course, the season wrapped up in style at our much-loved 'Greenlow' night. Meg Karras took home the coveted medal once again, while Sarah Nellis and Elana Salter were recognised as Most Consistent. Bee Delves and Elana Salter led the goal scoring, supported by contributions right across the team.

All in all, it was another fantastic season with a brilliant group. There's no doubt this team will be back, more determined than ever, ready for another shot at finals glory.

2025 was a season that reminded us just how fine the margins can be in sport. After the highs of recent years and a renewed determination to return to the top, our team once again set out with belief, hunger, and the shared goal of playing in another grand final. And while we fell just short this time, there’s every reason to hold our heads high.

From the opening rounds, our trademark selfless, structured style of play — built on teamwork, smart ball use, and trust — was on full display. The core of our side continued to shine and once again with strength and consistency, Leon “Juddy” Judd was the engine through the centre, and John “Box John” Matthews stood tall between the posts, pulling off some incredible saves when it mattered most.

Our defence, anchored by Gernot Roehrer and Matthew Sargent, was as tough and disciplined as ever, while the relatively new midfield group of Michael Thurley, Jeremy Reid, George Pyecroft, Tommy McTye and Tom McDevitt provided balance, speed, and creativity. Guiding the group as always was Tim McDevitt, whose steady leadership and tactical insight kept us focused all season.

We also can’t overlook the commitment of the familiar faces who continue to embody the spirit of this team — Adam Sproule, Scott Stalker, John Cranwell, Rowan Bridley and Nick Bowden. Week in and week out, they gave everything for the jumper.

There were moments this year when we showed the very best of what we can do — when teamwork, belief, and execution all clicked. But sport can be cruel, and despite our consistency, injuries, a few tight losses, and the rub of the green meant we just missed out on that grand final spot. It wasn’t for lack of effort or heart — this group gave everything.

While we were extremely disappointed not to be there on grand final day, 2025 has laid the foundation for something special with the hope of a few fresh faces in 2026 to go to the next level. The belief in each other, the culture we’ve built, and the pride in how we play remain stronger than ever. We know we belong at the top — and 2026 will be our year to prove it.

To every player, coach (especially Matt Sargent), volunteer, and supporter — thank you. Your dedication, energy, and passion make this club what it is. We might have missed the grand final which was ultimately our goal, we’ve gained something just as important — renewed purpose, unity, and the drive to come back even harder.

The 2025 season for the ‘Fourthies’ was once again a season full of fun, fitness, friendship and chaos. Once again, I stepped into the manager role for the team, with a bit more experience, and the organisation improved from the previous year. There were some weeks in which there was even a ‘sub’ roster prepared, a vast improvement to the previous year of ‘if you need a sub, just come off the field and wing it!’

There was a mix of new faces to the team, from starting up in the senior division, to returning to hockey after a break, and even some coming to join us from another club. Everyone was friendly and welcoming, and all the new members quickly became an important part of the team. Shanna Hurd stepped into the goals as one of the new faces on the team. This allowed me to be able to make a comeback to playing on the field after a two-year break. Another new face to the team was young gun April Sargent, getting some experience playing in the senior division. Her speed and skills were a welcome addition to the team and had a massive impact on the game results we had throughout the season.

There was one milestone reached during the season: Jayne Sargent played her 200th game for the club. Unfortunately, this was the last she could play for the season with us, as her next game, filling in for 3rd Grade, resulted in an ankle injury that had her sidelined for the rest of the season. Jane supported us from the cold, hard benches by helping to run subs for the rest of the season, which was greatly appreciated.

We had very positive results throughout the season and finished second on the ladder. A win in the semi-final meant we had booked our spot in the grand final. We were, however, not as lucky in the grand final, going up against the same team we had beaten in the semi-final. We still played a fantastic game, and we should be proud of how the team performed throughout the season.

This season saw the creation of a team ‘player’s player’ trophy, which has been dubbed the ‘Hot Chips’ award. The first recipient of this award was Helen Mulchay, who was awarded at the team social get-together.

We had an amazing 2025 season, and we are all looking forward to keeping that positive momentum into next year!

The season began with a great deal of hype and energy. Our Talent Manager successfully retained and recruited a squad of 20 players, bringing together the skill and experience we believed would set us up well for the 2025 season.

However, by the end of Round 1 it became clear that 5th Grade had changed significantly. Aside from our long-time arch rivals, University, the competition had strengthened considerably, with many opposition teams recruiting younger, faster, and highly skilful players.

Despite this, enthusiasm within the group remained strong. Training sessions and match days consistently saw good numbers, even though on-field success was limited through the first half of the season. It wasn't until after mid-season that we began to find our rhythm, stringing together some strong performances, scoring goals, and genuinely threatening to secure wins.

Unfortunately, finals contention proved to be a step too far this year, particularly as injuries began to mount and impact team continuity. That said, there were many positives to take away. Several players delivered outstanding individual performances and achieved impressive game statistics, reflecting their commitment and effort throughout the season. These achievements were rightly celebrated with multiple team lunches, reinforcing the strong culture, camaraderie, and pride that continues to define our great club.

The OHA Division1 Masters team certainly faced some rough seas during the 24/25 season! With the usual challenges of scraping together 11 players to hit the turf, we were joined by a large contingent of Diamondbacks—without whom neither club would have had the chance to compete in Division 1. Re-christened The Diamondships, we got off to a flying start, going undefeated in our first three games before Northwest Grads unfortunately withdrew from the competition due to their own struggle for numbers. This forced a full reset—back to square one.

The rest of the season went reasonably well, with us holding a solid grip on second place behind a dominant University side. We were also joined by another Woolford (as if our existing one wasn't enough!), leading to our rebranding as The Diamondships and a Dog. We finished strong, knocking off Uni in our final regular season clash before earning a 4-1 win over Canterbury in the semi-final. That's when disaster and controversy struck...

In the week leading up to the Grand Final, we ran aground: four players were ruled ineligible for the semi-final. A flurry of emails and negotiations followed. Hockey South had initially forgotten to count the first three matches, which retrospectively qualified two of our players, bringing them to the required five games. The other two had played four out of the shortened 12-game season—the same ratio as five from fifteen—but this was ultimately deemed insufficient, abruptly ending our finals run in bitter fashion.

Lessons were learned, and we'll aim to return stronger and make the 25/26 season one to remember!

Final’s result: Preliminary final loss 4-3

This season was a genuine rollercoaster. We started strongly with a great mix of players from 3rd, 4th and 5th grade, and the combination clicked right away. By Christmas we were sitting on top of the ladder, and we managed to hold first place right up until the final round. Unfortunately, the loss to the Diamondbacks cost us the minor premiership and shifted the momentum at the wrong time.

Finals didn’t quite go our way either. We dropped the first semi, regrouped, and then fought hard in the preliminary final against OHA Red. In a close match we were eventually defeated 4-3.

Despite the results, there was a lot to like about the way this team played and supported each other throughout the year. The mix of experience and youth, the willingness to step into roles, and the commitment shown week after week made it an enjoyable group to be part of.

A big thank you to Hayden Steele and Andrew Byrne for their help and support across the season. Their contribution made a huge difference on and off the field.

Final’s result: Grand final win 2-0

Master’s hockey is getting busier than ever with OHA entering two teams in the Division 2 competition in 2024. With our efforts from last year, we were keen to go get back to back premierships.

We started the season well with an initiative of creating two even teams for the 2025 season. The competition runs over summer and started in the week of the Masters National Championships concluding in Hobart. The team was back to full strength by January and they finished the season in 3rd place.

This year, Master’s went back to the normal three weeks of finals. We had a great semi-final and beat University 3-0 to advance to the preliminary final to play OHA Blue who were defeated by DiamondBacks in their semi-final.

We won the preliminary final 4-3 and played against DiamondBacks in the grand final. They had been playing good hockey and finished as minor premiers. We had a great grand final, winning 2-0 and became the first OHA premiers for 2025.

Leon Judd had an outstanding year again playing all positions, and well-deserved best player for our team and we supported all grades again with players from OHA. Jon Foulston finished very close and was our most consistent. We are hoping to get two even teams again for the 2025 season. This team was a great bunch of guys to play alongside again.

MASTERS WOMEN DIV 2

Coach: Nikki Stuart

Ladder position at season’s end: 5th

The summer Women’s Masters competition continues to grow, with season 24/25 including a massive 19 teams across 3 divisions. OHA was determined to have a team in Division 2 this year, rather than just Division 1 and Division 3, so all our players could play at the appropriate level.

So, it was an exciting debut of our new team in Women’s Masters Division 2 competition. Formed from a mix of players from last year’s Division 1 and Division 3 teams, some past players and new recruits, this side quickly found its identity as a competitive and spirited addition to OHA Women’s Masters.

Over the 12-game season, we recorded 3 wins, 3 draws and 6 losses, with 17 goals scored and 27 conceded. A total of 26 players pulled on the shirt for Division 2 this year – a true testament to the flexibility and team-first attitude of our Masters group. DiamondBacks, with some quality returning players took out the premiership in a shoot out against Uni Black.

As with all Master’s teams, player availability was a week to week puzzle, and Division 2 often found

itself as the key linking team, regularly providing players to both Division 1 and Division 3, and receiving fill-ins when needed. This led to some games where players had already featured in earlier matches or had to back up after, but the commitment to keeping all teams on the field never wavered.

We had some fantastic individual stories this season:

- Emma Bovill attempted a comeback after many years away from hockey. Unfortunately, her body had other plans, but we loved having her back, even briefly.
- Mel Thomas made a long-awaited return to the field, bravely stepping into goals after many years away from the game.
- Anna Davidson, newly arrived from the DiamondBacks, slotted in beautifully alongside former DiamondBacks teammates Bianca Hodge and Bee Delves, who had joined the club in the previous winter season.
- Danielle Bresnehan also came out of winter retirement to lend her skills and experience to the team.
- Steph O’May, Em Muskett and

Nikki Stuart played all 12 games of the season and also played most weeks for Division 1.
• Eloise Crombie made the most of her single appearance for the season – scoring a hat-trick and finishing as the team’s top goal scorer in just one game!

The season was a fantastic foundation year for this new Division 2 side. While the results were mixed, the spirit, adaptability, and support for each other stood out every week. We had lots of fun, and as always, the social aspect of summer masters was at the forefront.

Thank you to Raja Iyer, who umpired us most weeks; Richard Pears, who helped with managing duties when he could; and our other Women’s Masters Team Coordinators Sofie McLeod and Sharon Ryan for working together to make sure all teams could take the pitch. We have a good number of players in the club turning of age, and excited to step into masters next season, which is great news.

Ladder position at seasons end: 2nd
Final's result: Semi- final loss 1-1 (4-3)

Our 2025 squad was a great mix of familiar faces and fresh talent. Alongside long-standing Ships' players, we welcomed a bunch of newbies – some from other clubs, some returning after time away from the game, and a few who were stepping onto the pitch for the very first time. As always, we stayed true to our team spirit: playing hard, leaving nothing on the pitch, supporting each other, and sharing plenty of laughs (and regular post-match bevies).

The season brought mixed results – 7 wins, 4 draws, and 4 losses – and lots of great moments along the way. We scored 21 goals, with 10 different players getting on the scoreboard. Bee Delves led the tally with 5 goals, followed closely by Anna Davidson, Sharon Ryan and Wendy Steele who each bagged 3.

We finished second on the ladder at the end of the regular season and faced third-placed Derwent in a hard-fought semi-final. After leading 1–0 for most of the game, we eventually conceded, taking the match to a 1–1 draw at full time. With no penalty shoot-outs during the season, five brave players stepped up to decide our fate. Helen Mulcahy and Isobelle Loh both converted their penalties, but so did two Derwent players, sending us into sudden death. Derwent managed to slot one more, clinching the win. Massive kudos to our goalie KT Wright, who stood tall under intense pressure and kept us in the game right to the end.

Thank you to each of these players for making 2025 a terrific season to have been a part of: Anna Davidson, Bee Delves, Deb Byrne, Hannah Flack, Isobelle Loh, Jacqui Billingham, KT Wright, Kelly Bartel, Kylee Chivers, Marita Coad, Rachel Sylvester, Rebecca Thomas, Robyn McCambridge, Sandra Wiggins, Sarah Lawler, Sharon Ryan, Shelly Driver and Wendy Steele.

THE OHA 100 CLUB - GAMES PLAYED

INTRODUCTION

Guidelines have been developed to provide a consistent approach for the recording of the number of games played for the Club by our members. The guidelines below also attempt to provide a fair assessment taking into consideration the changes in the club teams over 100 years. For example, prior to the 1990's the majority of players played in only one grade in a season, compared to the present where some players play in a number of grades.

This information has been included in a database which details the games played by every OHA player from 1919 to the present. At the completion of each season, the database is updated based on the SHL records for that season. The information will be available throughout the season and recorded in the OHA Ships Log Book, to all club members, coaches and managers, to record and celebrate significant games milestones by individual players.

GUIDELINES

Games played are recorded for senior grades only and include finals matches as appropriate. Senior grades include the Masters grade.

Where historical documents (eg; team sheets, coaches records, SHL data base [from 2016-onwards]) were available, the games played have been determined from these documents.

Where these documents were not available, the games played (including finals) have assumed to be 15-18 (based on 3 rounds) or 20-23 (based on 4 rounds) depending on the number of finals matches played.

Where a player played in more than one grade during a season, a maximum of 35 games have been recorded for that player (eg; 20 games from 3rd Grade and 15 games from 2nd grade; or 18 games from 2nd Grade and 17 games from Masters). As the SHL data base also records those players named as interchange players, these games have been included

accordingly. (eg; a 4th grade player who plays 20 games in 4th Grade and is reserve for 4 games in 3rd Grade will have 24 games recorded for the season).

Where a goalie played in goal in one grade and on the field in another a maximum of 35 games have been recorded..

AMENDMENTS TO GAMES PLAYED

The following table lists the games played for each OHA club member based on the above guidelines and the information we have been able to access to date.

If any individual member wishes to review their personal games record, feel free to contact me (see contact details below) to arrange this. We are also keen to update the data base based on any new documentation (eg; old team books, club records, personal records, team photographs, newspaper articles) so if anyone has this information please let me know, and we can amend the data base accordingly.

MILESTONES ACHIEVED THIS YEAR

Also included below is a list of players who have achieved a new games milestone in this season.

PREMIER LEAGUE GAMES PLAYED

A new data base included this year is the number of games played in Premier League over our 100+ year history. The database includes those players who have played 100 games or more.

The definition of 'Premier League' includes the previous names for this grade including; First Grade, 1st Grade and A-Grade.

THANK YOU!

The OHA Hockey Club wishes to thank all players, members, parents, supporters, and sponsors who make our club what it is.

The club only exists through the generosity of many who give up their time to volunteer and give back to the club that gives to them.

We are fortunate to have so many members, past and present, who provide donations, in-kind and monetary, to ensure our club remains robust, relevant, and innovative.

Thank you for being a part of the OHA Hockey Club family and community and participating in what is arguably the best sport in Australia!
